2025 Bioshares Biotech Summit - PROGRAM

| 6.30pm 6.30pm 6.30pm | Registration Open (Grand Chancellor Hotel, ground floor) CEO Dinner (Biotech Company CEOs only), Rockwall Bar & Grill (upstairs) CFO Dinner (details TBA) Peasants Dinner (Contact: stuart.roberts@pittstreetresearch.com) |
|--|--|
| | |
| Thursday 7 A | ugust (Hotel Grand Chancellor) |
| 7.00am - 8.30am | Registration Open |
| 8.30am 8.40am | Introduction, Housekeeping Sector Analysis, Thomas Wakim, Healthcare Analyst at Bell Potter |
| Occurrent Local | Provide Marin |
| Session 1: Lead To open this year's S | ling the way Summit company presentations, we will hear from some of the leading, breakout companies in the sector. These |
| companies are eithe | r moving into pivotal studies, sealing multiple partnerships, launching new products, or accelerating the growth in their |
| profitable businesse | |
| 9.00am - 9.30am 9.30am - 950am | Wayne Paterson, CEO of Anteris Technologies Global Corporation Andrew Shute, Chief Corporate Development Officer of EBR Systems |
| 9.50am - 10.10am | Nina Webster, CEO of Dimerix |
| | Brad O'Connor, CEO of Cogstate |
| | Lachlan Hay, acting CEO of Clinuvel Pharmaceuticals |
| Chair: David Nayaga | |
| 10.50am-11.30am | Break |
| | |
| | ing the Next 10x |
| | er will provide the next 10x in share price growth, following on from Telix, Neuren and Dimerix in recent years? This ive companies that are positioned for very strong growth, but only if the clinical results are very good. |
| | Chris Burns, CEO of Amplia Therapeutics |
| | Pohaces McQualter, CEQ of Chimeric Therapoutics |
| | Gary Phillips, CEO of Syntara |
| | Kilian Kelly, CEO of Cynata Therapeutics <i>B</i> I O T E C H <i>Patricio Sepulveda, CEO of Amplo Biotechnology</i> |
| Chair: Michelle Ng, | |
| | |
| 1.00pm-2.00pm | Lunch |
| | |
| | Making – The Real Story |
| | d learn from four serious deal-makers about the approaches, the twist and turns, and the closing of major biotech deals. |
| 2.00pm - 2.40pm | Panellists: Wayne Paterson (CEO of Anteris), Nina Webster (CEO of Dimerix), Brent Barnes (CEO of Clever Culture Systems), Anthony Filippis (CEO of Neurotech International) |
| | Chair: Andrew Kelly, BioPacific Partners |
| | ····· |
| | Drug Development Journey |
| | to market is not always a linear process. There are many learnings along the way, and programs may need to be on will hear from two companies seeking to bring their novel therapies to market, their experiences to date, and the |
